

**Farmingdale FSDO FAA Safety Team (FAASTeam) presents:**

# **Brookhaven Airport Safety Seminar**

This safety seminar will include topics relevant to all airmen in our district.

We will review a summary of the incident and accident data from the previous fiscal year (October 1, 2015 - present). We will look at likely causal factors and highlight a few examples with an eye towards the prevention of similar events in our district.

In addition, we will quickly review the new Part 107 rules applicable to commercial operations of Unmanned Aircraft Systems.

**Directions:** The event will be held in the Northeast Airpark hangar near the fuel farm at the Brookhaven Airport (KHWV) in Shirley, NY. Enter the airport from Dawn Drive, proceed past the main operations building and through the wooden gate, follow the signs directing you straight ahead. Marshalls will direct you to the parking area. Aircraft parking available on ramp area. See the attached file for a specific map of the area.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
